Dear Ms. Wiklanski:

The Association for Assessment and Accreditation of Laboratory Animal Care (AAALAC International) is pleased to convey that the University of Michigan, Ann Arbor, Michigan is accredited. Our records show that the University of Michigan initially achieved AAALAC International accreditation on December 16, 1971. The accredited animal care and use program at the University of Michigan was most recently site visited February 28 - March 3, 2005 with final results of this assessment provided in correspondence dated November 14, 2005.

This interest, contribution and participation in the AAALAC International accreditation program is valued and appreciated. As you are aware, AAALAC International conducts site visits to institutions and requires being apprised of significant programmatic changes during the interim between these site visits. Should you desire additional information or wish to comment on any aspect of the accreditation process, please contact our office.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Bayne".
